

Parking

We know finding a car parking bay at Joondalup Health Campus can sometimes be a challenge. To ease the growing pains, we will open over 200 additional visitor bays in 2013.

Visitor bays are located in car parks P1 and P12 off Shenton Avenue, in P4 off Regents Park Road and in P9, accessed via Lakeside Drive.

Parking fees are among the lowest in Perth. Fees were introduced to deter motorists who are not visiting the hospital from utilising bays intended for patients and hospital visitors.

Car Park	Fee <i>(8am - 6pm Monday to Friday 8am - 12 noon Saturday)</i>	Pay stations
P1	\$1.40 per hour	Opposite Emergency Department, outside main entrance
P4 <i>(4hr maximum)</i>	\$1.50 per hour or part thereof	In car park
P9 and P12	\$1.50 per hour or part thereof	In car parks

The maximum daily fee is \$10. The maximum weekly fee is \$35. Weekly tickets for P1 can be purchased from main reception and for P9 and P12 from ticket machines in these car parks.

There are drop-off and pick-up bays outside the Specialist Medical Centre West, in front of the Emergency Department and in front of the new Joondalup Private Hospital. The maximum stay for these bays is five minutes.

ACROD Parking

There are more than 30 dedicated ACROD bays in visitor car parks with more on the way. Bays are located within a short distance of entrances with wheelchair assistance available to those who need it – ask a member of staff.

ACROD permit holders receive twice the parking time they pay for if they park in any bay in P4, P11 or P12. For technical reasons, this concession is not available in P1. ACROD parking bays in P5 and outside the Dental Health Clinic are free all day, every day.

Public Transport

The Transperth Train service stops at the Joondalup Train Station, adjacent to Lakeside Shopping Centre. The free Joondalup CAT bus links the hospital with the CBD, education precincts and train station.

For information visit www.transperth.wa.gov.au or call 13 62 13.
